I am pleased to announce that Ms. Marianne Pannoni is the Watertown Public Schools Paraeducator of the Year. Ms. Pannoni currently serves as a paraeducator at Swift Middle School, and she has also served as a paraeducator at John Trumbull Primary School in the preschool program. Currently, she works with students in grade 6. Ms. Pannoni demonstrates dedication and enthusiasm, and she has been described by teachers as a true asset to the Swift Middle School community. Ms. Pannoni truly believes that students have a range of learning styles, and she strives to ensure that all learners have the opportunity to maximize their potential to become effectively contributing members of the school and our community. Ms. Pannoni is consistently kind, caring and dedicated to her students. In her work in classrooms, she continually takes initiative, demonstrates flexibility, and has developed positive relationships with all of the teachers and students.

The Paraeducator of the Year Program allows us to acknowledge the value and importance of paraeducator support across our five schools. We thank Ms. Pannoni for her efforts and assistance in support of our students and teachers in grade 6, and we congratulate her for receiving this year's honor. She will now participate in the state Paraeducator of the Year competition, and we wish Ms. Pannoni the very best of luck as she enters the state level program.
